

Promotion for associate professor position 2018

Dr. Joanna Sułkowska and Dr. Krzysztof Kazimierczuk received the positive recommendation from the Council of CeNT UW for positions of associate professor at CeNT UW.

The Council has invited external experts from Germany, Italy, Poland, UK and the USA to review the professional achievements and scientific plans of candidates based on the presented documents. Subsequently the candidates presented their research interests during individual interviews. Finally, the Council, based on the reviews and interviews positively recommended both candidates for positions of associate professor at CeNT UW.
